1	HomeKit		
[]	Media & Apple Music		

Tap on 'Hume Libraries App' (on same screen)

Tap 'While Using the App' and Toggle 'Precise Location' to On

Prerequisite: Ensure Location Services is enabled in Android for Hume Libraries App

- Swipe down from the top of the screen
- Touch and hold Location
- If you don't find Location: Tap Edit or Settings and then drag Location into Quick Settings
- Tap App permission
- Tap Hume Libraries App (then tap Permissions --> Location)
- Choose 'Allowed only while in use'

Using Mobile Self-Checkout

Note this feature is only enabled at Broadmeadows, Craigieburn and Sunbury Libraries

Open the Hume Libraries App

Tap 'Self-Checkout'

Tap 'Enable Location Services' (this step is required only the first time this feature is used) Tap 'Check-out'

Place the mobile device on the RFID of the item to be borrowed

Tap 'Scan a Library item' and repeat previous step for all items to be borrowed

Tap 'Finish' on the top right of the screen and then 'OK' on summary screen
